Executive Summary

Globular Utilities Development OPC (GUD OPC) is a premier provider of manpower supply and consultancy for utilities, mining, and infrastructure projects across the Philippines. Proven track record: currently supplying approximately 250 skilled and semi-skilled workers for CWE/Maynilad sewer projects in Las Piñas City, including trained traffic controllers, with nearly 3 years of on-site collaboration.

Expanded capabilities: has placed close to 300 personnel for Century Peak Mining Corporation and other mid-scale construction projects in Metro Manila, covering mining, trucking, mechanics, electricians, office and laboratory staff, geological personnel, soil samplers, and LCT crews.

Solar project excellence: supply of skilled solar project installers for Terra Solar Plant, under the Hunan Construction Engineering Company Group Co., Ltd., located in Barangay Macabaklay, Gapan City, Nueva Ecija demonstrating strong integration with large international clients.

Comprehensive offerings: manpower supply, safety and compliance consultancy, workforce planning, training, and project support (supervision, logistics, rostering, and progress reporting).

Competitive edge: rigorous vetting, robust safety culture, agile staffing models, and a brand rooted in global standards and reliable delivery.

Value proposition: reduces recruitment cycles, enhances on-site productivity, ensures regulatory compliance, and delivers high-quality outcomes on time and within budget.

Call to action: partner with GUD OPC for scalable, risk-managed manpower solutions aligned with your project milestones and safety expectations.

Company Overview

- Name: Globular Utilities Development OPC (GUD OPC)
- Core Offering: Manpower supply and consultancy services for utilities, mining, infrastructure projects, Solar projects, and manufacturing Industries.
- Brand Positioning: A trusted partner delivering disciplined workforce management, industry know-how, and practical project support
- Website: gudopc.com
- Branding cue: Globe motif with a gold/bronze finish conveys global reach, premium quality, and enduring reliability

Key Engagements and Capacity

- CWE/Maynilad sewer pipe laying (Las Piñas City): Supplying manpower for nearly 3 years, including trained traffic controllers. Current workforce capability: approximately 250 skilled and un-skilled workers.
- Century Peak Mining Corporation (Dinagat Province): Supplied nearly 300 workers, including mining workers, operators, truck drivers, mechanics, electricians, office personnel, laboratory personnel, geological personnel, soil samplers, and LCT crew, among others.
- Additional mid-scale construction projects in Metro Manila: Providing a broad mix of skilled trades, supervisory talent, and support staff to ensure on-site productivity and compliance.

Services

• **Manpower Supply**

- Skilled trades, technicians, and operators for utilities, mining, construction, and Pipe fitters.
- Project-based staffing, temporary-to-permanent placements, surge workforce options

• **Consultancy Services**

- Workforce planning, safety programs, regulatory compliance guidance
- Training needs assessment, onboarding, competency mapping

For consulting services, we offer a comprehensive design for a bulk water supply project that encompasses water extraction, filtration, treatment, and distribution. This includes the detailed design of pipe layout and sizing to ensure efficient flow and pressure standards. Our expertise guarantees that the project meets all regulatory requirements and is tailored to the specific needs of the community it serves.

• **Project Support**

- Site supervision, quality assurance assistance, logistics planning, and progress reporting
- Rostering, on-site coordination with client teams

Market Opportunity

- Target Sectors: water/wastewater utilities, mining, power, and urban infrastructure projects requiring reliable manpower solutions
- Demand Drivers: increasing project pipelines, stringent safety and regulatory requirements, and the need for scalable labor resources
- Value Proposition: shorten recruiting cycles, improve on-site productivity, and ensure compliant, high-quality execution through vetted personnel and robust processes

Competitive Advantage

- Rigorous Workforce Vetting: comprehensive screening, credential verification, and ongoing skills assessments
- Safety and Compliance Focus: proactive safety programs, incident prevention, and regulatory alignment embedded in every assignment
- Agile Operations: flexible staffing models, rapid onboarding, and scalable support across project phases
- Brand Promise: premium service ethos reflected in our branding and client-focused execution

Target Clients

- Construction and engineering contractors
- Utility developers and operators
- Local government units and infrastructure agencies
- EPC firms seeking dependable manpower partners

Engagement Model

- Customized Staffing Plans: align workforce size and skill mix with project timelines
- Short- and Long-Term Placements: hourly, daily, or project-based arrangements
- Performance-Based Commitment: service levels, response times, and continuous improvement metrics

Key Differentiators

- Integrated manpower supply and consultancy approach to optimize workforce and project outcomes
- Strong safety, compliance, and quality assurance culture
- Flexible, scalable, and responsive staffing solutions across multiple sectors
- Brand narrative rooted in global reach and reliable delivery

Public Commitments

- Safety first: maintain rigorous safety protocols and training for all personnel
- Compliance: strict adherence to applicable local and national regulations
- Transparency: regular reporting and open communication with client stakeholders

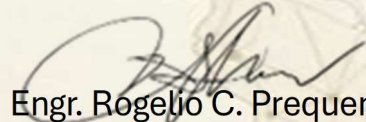

Executive Message

On behalf of Globular Utilities Development OPC (GUD OPC), I am pleased to present our company profile, which reflects our unwavering commitment to delivering premier manpower supply and consulting services across utilities, mining, and infrastructure projects in the Philippines. Our track record—supporting CWE/Maynilad sewer projects in Las Piñas for nearly three years with a workforce of approximately 250 skilled and semi-skilled personnel, and provisioning close to 300 professionals for Century Peak Mining Corporation and other mid-scale construction initiatives—demonstrates our ability to scale, partner, and perform in dynamic environments.

Today, we extend our capabilities to include skilled solar project installers for Terra Solar Plant under the Hunan Construction Engineering Company Group Co., Ltd., illustrating our readiness to integrate with large international clients and complex project ecosystems. Beyond staffing, we offer safety and compliance consultancy, workforce planning, training, and comprehensive project support—ensuring on-site productivity, regulatory alignment, and timely delivery of high-quality outcomes.

At GUD OPC, we are guided by a simple truth: reliable people, well-managed processes, and a safety-first culture are the foundations of project success. We value every partnership we enter, and we are dedicated to helping our clients achieve their milestones with reduced risk, improved efficiency, and lasting value. We welcome the opportunity to collaborate with you and to demonstrate how our integrated approach can elevate your project outcomes.

Engr. Rogelio C. Prequencia
President and CEO
Globular Utilities Development OPC

To our clients,

GUD hereby confirms that it holds all required permits and registrations to operate lawfully and responsibly. These include:

1. DOLE Department Order No. 174 — evidencing our compliance with applicable labor standards and our commitment to fair employment practices, employee protection, and a safe workplace.
2. Local Business Permit
3. Social Security System (SSS) registration
4. PhilHealth registration
5. Securities and Exchange Commission (SEC) registration
6. Bureau of Internal Revenue (BIR) registration

Maintaining these licenses underscores our dedication to regulatory compliance, employee welfare, transparent operations, and the reliable delivery of services. Certified copies of these documents are available upon request; please contact us if you need further information.
